

7 July 2022

Dear Parents and Whānau, thank you to parents who responded to the consultation around the Relationships and Sexuality Education materials for students at Parua Bay School. The materials can be found on the ['Documents'](#) page of the school website. The vast majority of respondents to the survey were happy with the planned resources and lesson materials - as such the programme will be used to deliver the New Zealand Curriculum expectations re Relationships and Sexuality Education (RSE).

Each set of lesson plans is preceded by a summary page indicating themes and activities prior to the actual resources, including contents. Highlighted in yellow are sections or 'activities' the teachers will not be teaching.

The RSE programme will be commencing in Term 3 2022. If parents do not wish their child to participate in a particular RSE activity, parents will need to contact their child's class teacher or the school office so that alternative arrangements can be made for your child during that particular lesson or activity.

If you have any questions regarding the RSE lesson materials, please contact your child's class teacher in the first instance.

Ngā mihi mahana,

Mark Ashcroft  
**Principal**
